Hello, colour-er!

Grab your pencils, crayons or textas. Every page in this book comes from a story from The Dog House, starring Frankie, Winston and Patty, with a short line underneath that a grown-up can read aloud while you colour.

There's no wrong way to colour. Purple dogs are allowed. So are green skies.

Grown-ups: print on A4 at 100% scale. Single-sided is best for markers.
